Summary

Java Backend Developer skilled in Java, Spring Boot, REST APIs, JDBC, SQL, and multi-threading. Strong foundation in backend development, API design, and database operations. Dedicated to writing clean, reliable code and continuously enhancing technical skills.

Skills

Programming & Querying: Java, SQL

Web Development: J2EE, HTML, CSS, JavaScript

Framework & Library: Spring Boot, jQuery, Hibernate, Bootstrap, React

Tools: Maven, Git, Postman

Awards & Certifications

- **Java – ThinkingMachines (2024):** Completed core and advanced Java training, focused on multi-threading and JDBC API.
- **Machine Learning – IBM (2026):** Completed an introductory course focused on the fundamental concepts and practical applications of machine learning.
- **Artificial Intelligence – Google (2026):** Completed an introductory program covering AI foundations and their real-world impact.

Experience

Software Developer Intern

Aug 2025 – Oct 2025

VKTechno Solutions Private Limited (Onsite)

Tech: Spring Boot, SQL

- Developed secure authentication and validation workflows in Spring Boot using JWT, enhancing user access reliability.
- Implemented RESTful API endpoints integrated with PostgreSQL to streamline backend data operations and improve performance.
- Collaborated in the software development lifecycle using Git for version control and Postman for API testing and verification.

Projects

Student Data Management | Java, SQL

April 2024 – May 2024

- Developed a multi-tier Java Student Management System with separate data, business, and presentation layers.
- Implemented MySQL for efficient data storage, integrated Socket I/O for seamless network communication, and built a user-friendly interface using AWT and Swing.

Real-time White Board | Java

June 2024 – July 2024

- Designed a real-time whiteboard application using Java and AWT.
- Established efficient client-server communication using Java sockets to ensure smooth and responsive data transmission.
- Built a collaborative whiteboard system with features for drawing, erasing, and clearing the canvas, allowing multiple users to interact simultaneously.

Education

B. Tech Computer Science (CGPA: 8.07 / 10)

Graduated: 2025

Mahakal Institute of Technology, Ujjain

Class XII - Higher Secondary (92.6%)

2020 – 2021

Excellence School, Ujjain

Class X - Secondary (92.8%)

2018 – 2019

Sant Meera Convent School, Ujjain
