

NAGESH PANCHAL

nageshppanchal007@gmail.com | +91-8329139208 | Nanded, Maharashtra

Education

- **B. Tech: MGM's College of Engineering Nanded** Jan 2021 - June 2024
Information Technology | CGPA: 8.70
- **HSC: Shree Shivaji Junior College Kandhar, Nanded** Feb 2019 - Feb- 2020
Marks: 64 %
- **SSC: Mahatma Phule High School, Nanded** Mar-2017 - Mar 2018
Marks: 72 %

Skills

- Java
- AI & ML
- Python
- Rag
- LLM
- HTML, CSS & JS

Projects

- **Dynamic Institute Website**
Dynamic Learning Management System (LMS) enable easy creation and modification of web pages. Developed a Faculty Portal for course management, content organization, assessment grading, and student communication, along with an Admin Panel for user role management, reporting, and analytics.
 - JavaScript, Bootstrap, MySQL, ajax, jQuery, HTML, CSS
- **Personalized PDF Chatbot**
Developed an AI-powered web application that allows users to upload PDF documents and interactively ask questions. The system extracts text from PDFs, splits it into manageable chunks, generates embeddings using Hugging Face models, and performs semantic search to provide accurate answers using a language model. Designed for quick responses and scalable content processing, enabling effective knowledge retrieval from large documents.
 - Python, Streamlit, PyPDF2, LangChain, HuggingFace, FAISS

Certificates

- Java
- AI Foundation Associate by Oracle Cloud Infrastructure
- Generative AI Professional by Oracle Cloud Infrastructure
- Microsoft Azure
- Infosys's Springboard
 - Database Management System
 - Python Fundamental

Extracurricular Activity

- Participation in Visio-Tech College Event
- Participation in Kavach hackathon at college level
- MGM's Quiz event participant
- Winner at College sport event
